MFC-6490CW

6-in-1 A3 Colour Inkjet Multi-Function Centre
with Wireless Networking

Print / Fax / Copy / Scan / PC Fax / Direct Print

The World's First
A3 Inkjet MFC

Professional Series
MULTI-FUNCTION CENTRE

Ultimate All-in-one Office Companion
with up to A3 Capabilities and Wireless Connectivity

Outstanding Performance All Round

Integrate your work processes and streamline your business with the all-in-one Professional Series colour inkjet MFC-6490CW. With up to A3 printing, faxing, copying, and scanning capabilities, you can now create impressive, impactful and easy-to-read business documents, reports, presentations, spreadsheets, proposals, and more.

The MFC-6490CW also comes packed with everything you need to excel in business, such as out-of-the-box wireless networking, multiple connectivity options, and cost-saving enhancements, giving you more flexibility and making it a truly indispensable business partner.

Fast & Professional Printouts Up to A3

With fast print speeds of up to 35 pages (monochrome) and 28 pages (colour) per minute, charts, diagrams, and documents are generated quickly, both in black and white and full colour.

When used with Brother's specially formulated Innobella™ Ink and Photo Paper, the MFC-6490CW is able to achieve ink droplets of just 1.5 picolitres (pl) in size for printouts with high resolution and smooth gradations in various paper sizes, up to A3 borderless.

Exceptional Flexible Paper Handling

Increase efficiency and reduce user intervention with high capacity dual paper trays. With two separate paper trays holding up to 400 sheets, you don't have to replace or load paper every time you print in a different format.

Ease of Use

With a wide full colour 3.3" LCD screen, you can easily access copy and scan settings, and even preview faxes or edit your photos without the use of a PC.

The 50-page Automatic Document Feeder (ADF) allows unattended copying, scanning, and faxing of multi-page documents at the touch of a button.

Versatile Multi-functionality

Scan to E-mail

Scan documents straight to your default E-mail application as attachments

Scan to FTP

Scan and upload documents and images to an FTP server

Scan to File

Scan and save documents directly as a soft copy eg. PDF and JPEG

Besides being a printer, fax, copier, and scanner, the MFC-6490CW has additional productivity tools to make it a true Multi-Function Centre. A PC Fax receiving feature lets you receive faxes in soft copy even when the PC is turned off, while the Super G3 Fax allows transmissions in approximately 3 seconds. Its versatile scanning applications also allow you to scan directly to E-mail, Optical Character Recognition (OCR), image, file, card or USB flash memory drive for added versatility.

Multiple Connectivity

In addition to the various connectivity options that let you print directly from, and scan to, various multimedia cards and USB flash memory drives, you can also print from a camera without having to switch on your computer via an assortment of commonly used card slots and a cable port.

Wired & Wireless Networking Options

Share the MFC-6490CW's powerful features like print, scan and PC Fax. Access media cards or USB flash memory drives over your wired or wireless network. Set-up is easily done with our user-friendly installation tools.

Perfect Copies Every Time

A copy enhancement feature lets you eliminate shadows, add a watermark, and even adjust skewed documents for perfect copies everytime.

Colour Optimisation

An exclusive Brother process called True2life® accurately optimises your colour prints with the original colours captured on your camera for the truest colours possible.

Security

Secure Function Lock

A Secure Function Lock feature allows an administrator to restrict user access to print, fax, copy, scan or PC Fax with a 4-digit PIN code for greater security and control.

Value for Money

Brother's 4-cartridge ink system allows you to only replace the colour that has run out. Additionally, the included high-yield Innobella™ ink cartridges are cost-effective and provide twice the page yield of standard ones so you can print up to 900 pages in monochrome and 750 pages in colour.
