MFC-7220

Laser printing doesn't have to come from large, expensive machines. If you need the crisp and clear print quality and high-volume robustness of a laser printer, Brother's latest entry-level laser Multi-Function Centre is all that and more!

Hassle-free MFC

MFC-7220 is a machine that houses multiple functions and yet is amazingly simple to operate. It is ergonomically designed with a View Easy Control Panel, where the control panel is shown up to the user at a steep slant. This makes it easy for the user to see and operate the controls, even if the machine is placed on a high shelf, or slotted deep into a cabinet.

An integrated handset gives MFC-7220 additional versatility as a communications tool. This is the ideal integrated office solution for the small and home office.

Cool Specs

Besides packing a punch with its functionalities, Brother has included many cool specifications in MFC-7220 for advanced uses.

✓ Great Print Quality

Up to 1,200 x 600dpi print resolution at print speeds of up to 20ppm.

✓ Fast Fax, More Memory

A 14.4K bps G3 fax modem ensures fast transmission of fax. It has a standard 16MB memory that can store up to 400 pages* of incoming and outgoing faxes!

✓ Incremental Copying

MFC-7220 has an enlargement/reduction ratio of 50% - 200%, at increments of 1%. You can even sort and stack up to 99 copies.

✓ Unique PC Fax Features

The PC Fax function lets you broadcast to multiple addresses from Brother's PC Fax Address Book and you can even import your existing Outlook Express Address Book into Brother's PC Fax Address Book for greater convenience!

On the receiving end, even when your PC is turned off, MFC-7220 can still store all incoming faxes in its memory! When you turn on your PC the next day, MFC-7220 automatically transfers all incoming faxes from its memory to your PC's hard disk. Now, you can choose which faxes you want to print out, helping you to save on both paper and toner!

✓ Software Bundles

MFC-7220 comes with a host of software bundles to make your work easier. It is packed with user-friendly applications like ScanSoft® PaperPort® and OmniPage® OCR software for Windows®, and Presto!® PageManager® for Macintosh®. In addition, there is an intelligent management software tool (ControlCenter2.0) that has a scanning function which lets you scan to email, OCR, image or file, including PDF formats!

Save Money, Save the Environment

To help you save on running costs, MFC-7220 also comes with a separate toner cartridge and drum that prints up to 2,500 and 12,000 sheets respectively. Now, you do not have to throw away a usable drum when your toner is exhausted - a saving that any user will appreciate.
