### Versatile and professional

With high speed printing and copying of up to 28 pages per minute, the Brother MFC-8370DN produces professional documents fast. Save time by printing directly from or scanning to a USB Flash Memory Drive. Simply connect the MFC-8370DN to your existing network to share its resources across the office. The 'Scan to Email' and 'Scan to Network' functions further increase productivity.

### Value for money

The MFC-8370DN is designed to keep all costs to a minimum. Significantly reduce paper consumption with automatic duplex printing or the N-in-1 function (printing multiple pages onto just one sheet). Using Toner Save Mode or an optional high-yield toner can further reduce your running costs. The toner and drum are separate meaning you can replace them individually which saves you money.

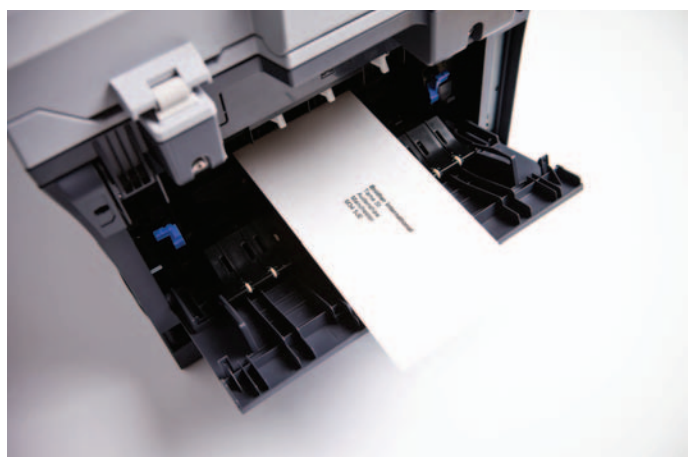

The MFC-8370DN's energy efficiency has been ENERGY STAR-certified.

### Easy to use

The 35-sheet ADF makes handling multipage documents a swift task, and printing on special media such as envelopes, labels or transparencies is easily done with the multipurpose tray. Create a professional booklet (printing four pages per double-sided sheet and folding it in the middle) conveniently in your office simply by choosing the option in the MFC-8370DN's driver. Print confidential documents safely with the Secure Print function. The BRAdmin software (downloadable free of charge from Brother's Solutions Centre website) allows you to easily centralise the management of all Brother printing devices in your entire organisation.

Create an instant impact  
- with quick 28ppm A4 printing.

Swift and easy - printing on thick paper or envelopes.
