DCP-7030 3-in-1 Monochrome Laser Multi-Function Centre

Print, copy and colour scan with the DCP-7030, a compact and versatile 3-in-1 monochrome laser Multi-Function Centre (MFC) that's ideal for your home and home office. Its small form factor is great for tight workspaces, while its many features effortlessly handle the varied needs of home and home office users alike.

Featuring a rapid print speed of 22ppm, you can also achieve low running cost in the long run by using Brother's high-yield toner for frequent printing or a standard-yield toner for your regular printing needs. With all these great features and more, the DCP-7030 is truly a cost-effective and invaluable addition that's guaranteed to make your working style easier.

Features

Print, copy and colour scan all in one

Save money, space and time by accessing multiple functions on a single machine.

Improve your productivity and save time

With a rapid print speed of up to 22ppm, you can now utilise your time more efficiently instead of waiting for your printouts.

Professional print quality

Achieve professional-looking, monochrome documents that are high in resolution (HQ1200) and razor-sharp with crisp, rich black outputs for consistent, superior quality.

Keep running costs low

Achieve low running costs by using a high-yield toner if you are a heavy user. A separate toner and drum system allows you to continue using the drum for a few toner cycles so you not only save cost, but also the environment with reduced wastage. You can also select Toner Save Mode for printing draft documents to reduce toner usage for non-critical printouts.

Advanced colour scanning made easy

DCP-7030 allows you to enjoy the benefits of full colour scanning via the following options:

Scan-to-file: You can save time by scanning and saving documents directly as a soft copy on your computer in various formats, including PDF and JPEG.

Scan-to-E-mail: Easily and conveniently send your paper documents via e-mail by scanning them straight to your default e-mail application as attachments.

Scan-to-OCR (Optical Character Recognition): If you need to edit a printed document, you can scan and automatically convert it to text in your favourite text editing software e.g. Microsoft® Word.

Scan-to-image: Scanned images can be automatically opened in your selected imaging or photo application, ready for you to save, edit or print.

Technical Specifications

GENERAL		
Printing Technology	Electrophotographic (Laser)	
Memory Capacity	16 MB standard	
Interface	Full-speed USB2.0	
Display	2 Line, 16 digit LCD	
LASER PRINTING		
Print Speed (A4 / Letter)	Up to 22 ppm / 23 ppm	
Resolution	HQ1200 (2,400 x 600 dpi), 600 dpi, 300 dpi	
First Print Out Time	Less than 10 secs	
Emulations	GDI	
LASER COPYING		
Copy Speed (A4 / Letter)	Up to 22 cpm / 23 cpm	
Resolution	600 x 600 dpi	
First Copy Out Time (from READY mode)	Less than 15 secs	
Multi Copy	Stack	Yes (up to 99 copies)
	Sort	Yes
Reduction / Enlargement Ratio	25% - 400% in 1% increments	
N in 1 (up to A4 only)	Compress 2 or 4 pages onto a single sheet	
COLOUR SCANNING		
Colour and Mono Scanning	Yes	
Resolution	Optical	Max 600 x 2,400 dpi (colour & mono)
	Interpolated	19,200 x 19,200 dpi
Greyscale	256 shades of grey	
Colour Depth (Internal / External)	48 bit / 24 bit	
Scan Functions	Scan to Email / Image / OCR / File	
PAPER HANDLING		
Paper Input	Standard Tray	Up to 250 sheets
	Manual Feed Slot	1 sheet
Paper Output	Up to 100 sheets face down 1 sheet face-up tray (straight paper path)	
MEDIA SPECIFICATIONS		
Media Types	Standard Tray	Plain paper, recycled paper, transparencies
	Manual Feed Slot	Plain paper, bond paper, recycled paper, envelopes, labels, and transparencies
Media Weights	Standard Tray	60 - 105g / m ² (16 - 28lb)
	Manual Feed Slot	60 - 163 g / m ² (16 - 43 lb)
Media Sizes	Standard Tray	A4, Letter, B5 (ISO), A5, B6, A6, Exe, Legal, Folio
	Manual Feed Slot	Width 76.2 to 220 mm, Length 116 to 406.4 mm (Width 3.0" to 8.66", Length 4.57" to 16")
PRINTER DRIVER SOFTWARE		
Windows®	Host-Based for Windows® 2000 Professional, XP Home Edition, XP Professional, XP Professional x64 Edition, Windows Vista®, Windows Server® 2003 (print only via network)	
Macintosh®	Mac OS® X 10.2.4 or greater	

FUNCTIONS		
N-up Printing	Reduce up to 2, 4, 9, 16 or 25 A4 pages to 1 A4 page	
Poster Printing	Enlarge 1 A4 page into a poster using 4, 9, 16 or 25 A4 pages	
Watermark Printing	Print documents with predefined text or user-defined messages	
Quick Print Set-up	Select print options in the driver quickly	
Manual Duplex	Manually print on both sides of the paper	
CONSUMABLES		
Standard Toner	TN-2130	Approx. 1,500 pages*
High-yield Toner	TN-2150	Approx. 2,600 pages*
Drum	DR-2125	Approx. 12,000 pages (1 page / job)
OTHERS		
Dimensions without Carton (WxDxH)	428 x 397 x 257 mm	
Weight without Carton	9.9 kg	
Power Consumption	Copying	Average 320W
	Standby	Average 75W
	Sleep	Average 8W

* In accordance with ISO / IEC 19752

Brother strongly recommends the use of Genuine Brother consumable products only. Benefits include better quality prints, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine Brother consumables.
