

Prints on both sides

Compact Monochrome Laser Printer with Automatic Double-sided Printing and Wireless Networking

Now you are free to share your printer over an existing wireless network for more efficiency and less clutter in your home or small office. The HL-2270DW also offers you low running costs combined with high-quality results.

- Fast printing at up to 26 pages per minute (ppm)
- Connect the HL-2270DW to your existing Wi-Fi or wired network to increase efficiency and reduce clutter
- You can save paper with automatic double-sided printing
- Excellent document quality thanks to high-resolution printing
- High-yield toner is available to save you money
- Low maintenance: large paper tray and manual feed slot to easily print on envelopes
